

COME TO SHREWSBURY LUMBER FOR QUALITY BUILDING MATERIALS AND PROFESSIONAL SERVICE.

If you're looking for top quality building materials and the service to go with it, come to Shrewsbury Lumber.

Shrewsbury Lumber stocks a full line of dimensional lumber, plywood, trim and mouldings as well as gypsum wallboard, compound and accessories, steel studs and framing components, insulation, masonry supplies and acoustical ceilings. And our new showroom is stocked with the tools and hardware you'll need to get the job done right.

You'll always be met with quick and courteous service at our spacious, new facility, conveniently located on Route 20, just a mile west of the Route 9 intersection. Need it delivered? Our new fleet of boom trucks and experienced drivers will get it there fast, clean and professionally.

So come in or call us for your building material needs. You'll see why they say Shrewsbury Lumber is a contractor's best friend.
